WHY CHOOSE A SAME-DAY SURGICAL CENTER?

The advantages of having your same-day procedure performed at a smaller, privately-owned surgical center include:

- ➔ **Safety:** Salem ASC has a dedicated team of professionals to assist in assuring that your patient experience is professional, comforting, and efficient. We will continue to communicate with you throughout all steps in the surgical process; from scheduling until recovery, we are here for our patients.
- ➔ **Lower costs:** ASCs generally result in lower out-of-pocket costs for patients (versus being performed in the hospital outpatient setting), and decreased costs for insurance companies.
- ➔ **Quality of care:** At Salem ASC, guaranteeing that we maintain a sanitary environment is one of our significant priorities along with patient care. We specialize in very particular procedures and concentrate on providing the best care possible for those specialty services.
- ➔ **Compassion:** At Salem ASC, we are never too busy to answer your questions and address any concerns you may have. Our surgeons collaborate closely with an outstanding core team of nurses, surgical technicians, administrators, and staff with vast experience and a shared commitment to caring for you.
- ➔ **Comfort:** With all the touches of home and our caring staff, Salem ASC will help to put you at ease before, during, and after your procedure.
